

**THE SACRED ART OF DREAMING** a five-week adventure with Penny Allport

What would it mean to become a dreaming culture again?

**An invitation to:**

- Deepen into conscious engagement with night dreams
- Remember you are a "human dreaming" and part of the re-dreaming of the world at this potent moment in time
- Receive the healing gifts of dreams through practices of inquiry rather than analysis
- share in a gathering of dreamers, dreaming in community
- Embody the medicine of dreams through dreamtime ceremony
