

Summertime Day-Long Offerings with Penny Allport

A Full Moon Musing

Paint in the rhythm of fruition, completion, plump ripe something longing to be seen, heard, felt and painted. A celebration of fullness.

AND

A New Moon exploration

Paint in the rhythm and expression of a new moon - fresh possibilities, something wanting to be found, discovered, explored in the cavern of your heart??

Bring lunch, wear comfortable clothes to paint and move in (we may be outside if it's a dry day)
